been devoted to their adversaries. The professional soldiers that composed the British army are seldom considered on a personal level, instead being either overlooked or inaccurately characterized as conscripts and criminals. Most of the British Redcoats sent to America in defense of

Read Book A British Soldier

their government's policies were career soldiers who enlisted voluntarily in their late teens or early twenties.

They came from all walks of British life, including those with nowhere else to turn, those aspiring to improve their social standing, and all others in between. Statistics show that most were

Read Book A British Soldier

simply hardworking men with various amounts of education who had chosen the military in preference to other occupations. Very few of these soldiers left writings from which we can learn their private motives and experiences. British Soldiers, American War: Voices of the American Revolution is

Read Book A British Soldier

the first collection of personal narratives by British common soldiers ever assembled and published. Author Don

N. Hagist has located first-hand accounts of nine soldiers who served in America in the 1770s and 1780s. In their own words we learn of the diverse

population--among them a former weaver, a

Read Book A British Soldier

boy who quarrelled with his family, and a man with wanderlust--who joined the army and served tirelessly and dutifully, sometimes faithfully and sometimes irresolutely, in the uniform of their nation.

To accompany each narrative, the author provides a contextualizing essay based on archival

Read Book A British Soldier

research giving background on the soldier and his military service. Taken as a whole these true stories reveal much about the individuals who composed what was, at the time, the most formidable fighting force in the world.

Between June 1812 and
January 1815, US and

Campaign which ended at Yorktown—Frey describes the human face of war, with particular emphasis on the physical and psychic strains of campaigning in the eighteenth century. Perhaps the most important part of the work is the analysis of the moral and material factors which induced men to accept

Read Book A British Soldier

of the high risks of soldiering. Frey rejects the traditional assumption that soldiers were motivated to fight exclusively by fear and force and argues instead that the primary motivation to battle was generated by regimental esprit, which in the eighteenth century substituted for patriotism. After

Read Book A British Soldier

analyzing the sources of esprit, she concludes that it was the sustaining force for morale in a long and discouraging war. This book is a contribution to our understanding of the eighteenth century and should appeal not only to military historians but also to social and economic historians and to those interested in the
