300 Chapter 12 Applied Cross-Cultural Psychology: Some Highlights to discover possible sources of assistance and help, such as local religious organizations, groups of professionals, and sometimes businesses. They can—more likely than central government— initialize change.

~~Chapter 12—Psychology Courses~~

The study of psychology is important to explain basic human behavior, apply critical decision and thinking skills, improve interpersonal communication and provide a background for the business sector. Feel free to use the following resources to help in growing your knowledge of the science that is psychology.

~~Psychology—Welcome to Mr. Bextermueller's Classroom~~

Thus, social psychology studies individuals in a social context and how situational variables interact to influence behavior. In this chapter, we discuss the intrapersonal processes of self-presentation, cognitive dissonance and attitude change, and the interpersonal processes of conformity and obedience, aggression and altruism, and, finally, love and attraction.
