Ways of managing conflict also vary across cultures. For those accustomed to subdued, calm discussion, an emotional exchange among family members may seem threatening. However, the family may see their exchange as a normal airing of differing views. Is an event a skirmish, a provocation, an escalation, or a mere

dealmaking across cultures tends to lead to worse outcomes as compared with

negotiations conducted within the same culture.

The reason is primarily that cultures are characterized by different behaviors, communication styles, and norms.
