Dragon Kin - Book Series In Order

There are two ways to read the Dragon Kin series. One is in the order they were written by me, and one is based on the chronology of the series. I, personally, prefer the order in which the books were written because I tease or hint about the romances of the older dragons during the full-length novels.

“Personable characters and superb storytelling make this an excellent choice. . . . Essential for Pern fans of all ages.”—Library Journal (starred review) The son of a miner, Kindan has no expectations for any other life. He loves his lessons with the camp’s harper, but music isn’t part of a miner’s future. He also enjoys helping out with the camp’s watch-wher—a creature distantly related to dragons and uniquely suited to work in dark, cold spaces—but even that important job can’t promise a future above the ground. Then disaster strikes. In one terrible instant, Kindan loses his family and the camp loses its watch-wher. It will take a new friendship and a new responsibility to teach Kindan that even a seemingly impossible dream is never out of reach . . . and that light can be found in the deepest darkness. “A guaranteed pleaser [in] one of SF’s most splendid and longest-lived sagas.”—Booklist “Another delightful entry in the Pern series.”—Publishers Weekly

While battling against her greatest enemies, a warrior princess is torn between her fierce desire for an arrogant knight and her feelings for a powerful dragon. Original.

Sanity is overrated in this “captivating, funny, exciting” fantasy adventure from the New York Times bestselling author of the Scarred Earth Saga (Smexy Books). Some things never go away, like vile enemies, bad ale, and annoying kin. But I thought I was finished with the one dragon I’d have done anything for: Éibhear the Blue, a big, gorgeous, blue-haired beast who thinks the world belongs to him. The world and, apparently, me. So if Éibhear wants to play the caring hero and travel into the most forsaken of Gods forsaken lands to protect the one woman who doesn’t need it—namely me—I’ll let him.

"There's never a dull moment with these dragons. Fighting! Mayhem! Danger! . . . a fun read" from the New York Times bestselling author (Vampire Book Club). I was raised for battle. And as the first daughter of a warrior family, I've earned my reputation the hard way. Yet now I fight alongside uncivilized male Northland dragons who think a female is only good for breeding and waiting back home in the cave. But it's the foolish and foolhardy who would try to stop me, Rhona the Fearless, from doing what I do best—destroying the enemies of my kind. So the smartest thing wily barbarian Vigholf the Abhorrent can do for me is stay out of my way as we risk all on a deadly mission in enemy territory. I don't care if he's fascinated by me, even though he is as attractive as he is resourceful. He's having far too much fun putting me in difficult situations and testing my sense of duty to the limit. And I'm going to enjoy challenging his insufferable confidence, outwitting his schemes, and making him surrender in the wildest ways . . . "Expect a lot of humor, snarky remarks, and great chemistry" in this fantasy adventure from the New York Times bestselling author of *About a Dragon* (Under the Covers Book Blog). Only for those I love would I traipse into the merciless Northlands to risk life, limb, and my exquisite beauty. But do they appreciate it? Do they say, "Gwenvael the Handsome, you are the best among us—the most loved of all dragons?" No! For centuries my family has refused to acknowledge my magnificence as well as my innate humility. Yet for them, and because I am so chivalrous, I will brave the worst this land has to offer. So here I stand, waiting to broker an alliance with the one the Northlanders call The Beast. A being so fearful, the greatest warriors will only whisper its name. Yet I, Gwenvael, will courageously face down this terrifying . . . woman? It turns out the Beast, a.k.a. Dagmar Reinholdt, is a woman—one with steel-gray eyes and a shocking disregard for my good looks. Beneath her plain robes and prim spectacles lies a sensual creature waiting to be unleashed. Who better than a dragon to thaw out that icy demeanor? And who better than a beast to finally tame a mighty dragon's heart? Praise for the Dragon Kin Series "Aiken's patented mix of bloodthirsty action, crazy scenarios and hilarious dialogue have made this series a truly unique pleasure."—RT Book Reviews (4½ Stars) "A chest thumping, mead-hall rocking, enemy slaying brawl of a good book."—All Things Urban Fantasy "Laugh-out-loud funny—I loved it!"—Thea Harrison, New York Times bestselling author

War makes strange bedfellows in this "awesome read . . . the perfect mix of mystery, action, and romance" from the New York Times bestselling author (BTH Reviews). I, Gaius Domitus, one-eyed rebel dragon king of the Provinces, know better than most that sacrifices must be made, since I have to fight off half my ungrateful family on a regular basis to keep law and order here in my lands. But I never expected to have to consort with a barbarian human woman. Kachka is beautiful, if you like them fierce—and of course I do. But she keeps complaining about how spoiled and decadent I am, and how a feared Daughter of the Steppes has no time for foolish dragons. I think she likes my eye patch, though. It is quite dashing. With death always at our tails, we take our passion like we take our allies. As they say, love the barbarian you're with . . . Praise for the Dragon Kin Series "Aiken's patented mix of

The New York Times bestselling author “brings back her irresistibly humorous, snarky, action packed, violent and outrageously larger than life dragons” (Smexy Books). HE SAYS . . . I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I’m a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don’t deserve to live. And yet, Branwen the Awful—a low-born, no less—either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I’ll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can’t worry about why he keeps looking at me like he’s thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is. Because before this war destroys everything we love, we’ll have to face our enemies together. But if we make it out alive, who knows what the future will hold . . . Can a powerless witch find happiness with an arrogant, impatient dragon? If the dragon has his way, she sure as hell will. Book 2 in the award-winning Dragon Kin series! Talaith's life has never been easy. A goddess has forced her into servitude. Her husband despises her. And all those in her tiny village fear her. But just when she doesn't think her life can get any worse, she's pulled from her bed one morning to be burned at the stake for being a witch. What she never counted on was a terrifying silver dragon deciding to rescue her. Briece the Mighty didn't really know what to do with a human female. Especially this one. Chatty and a bit of a complainer, he doesn't understand why she can't simply admit to herself that she wants him. Who wouldn't? He was Briece the Mighty after all. Females fought to spend the night in his arms. But this one tiny woman with her many secrets and her annoying habit of referring to him as "arrogant" has turned his simple dragon life upside down. WARNING: This story contains explicit monogamous sex and graphic violence!

“Sexy and outrageous humor” heat up this fun fantasy from the New York Times bestselling author of the Scarred Earth Saga (Romantic Times). I know what they see when they look at me. The charming, soft-spoken dragoness bred from the most powerful of royal bloodlines. A disguise stronger than any battle shield that allows me to keep all suitors at tail’s length. A technique that’s worked until him. Until Ragnar the Cunning, handsome barbarian warlord and warrior mage from the desolate Northlands. Unlike those who’ve come before him, he does not simply submit to my astounding charm and devastating smile. Instead, he dismisses me as vapid, useless and, to my great annoyance, rather stupid! Yet I’ll allow no male to dismiss me. Soon he’ll learn my worth, my many skills, and the strength of my will. For this one challenges me enough to make me want to ruthlessly taunt him, tease him and, finally, when the trap is set, bring him to his knees. bestselling author of the Scarred Earth Saga (Library Journal). I am Ghleanna the Decimator. I am a warrior. A soldier. I know no fear. No pain. No mercy. I do, however, know acute embarrassment! How could I not after getting dumped by a bastard dragon in front of my own troops? So I tuck tail and return to my cave, drowning my sorrows in ale—as is my family’s way. But instead of leaving me to my misery, I’ve been summoned to the Dragon Queen’s court. As if my life wasn’t pathetic enough, Her Majesty now has me escorting the highborn Bram the Merciful through dangerous territories—not exactly the best use of my military training. And just so he can negotiate with enemy dragons instead of battling them? Honestly, what has my world come to? Then again . . . Bram is quite easy on the eyes. And the perfect distraction for what ails me. Perhaps I’m looking at all this the wrong way. Maybe there is a place for a little “mercy” in my life . . . Previously published in Supernatural.
