A dramatic story of love and ambition, set against the turbulence of the second World War. Prue is young, beautiful and talented. Though she may love the charming and valiant soldier, Kit, whom she has nursed back to life after front-line combat, she cannot resist a long-coveted posing abroad. Once in France, temptations of a different kind ? the attentions of a consultant surgeon ? lure her even further away from her young admirer. It is only when Kit is seriously wounded that

## Read Online Greater Than It All

Prue is struck by the full force of her love for him, but by then fate is no longer in her hands?

Outsmart Your Enemies. Outrun the Galaxy. "Just please, remember what I told you. Run. Don't stop running for anything." Tina never worries about being 'ordinary'--she doesn't have to, since she's known practically forever that she's not just Tina Mains, average teenager and beloved daughter. She's also the keeper of an interplanetary rescue beacon, and one day soon, it's going to activate, and then her dreams of saving all the worlds and adventuring among the stars will finally be possible. Tina's legacy, after all, is intergalactic--she is the hidden clone of a famed alien hero, left on Earth disguised as a human to give the universe another chance to defeat a terrible evil. But when the beacon activates, it turns out that Tina's destiny isn't quite what she expected. Things are far more dangerous than she ever assumed--and everyone in the galaxy is expecting her to actually be the brilliant tactician and legendary savior Captain Thaoh Argentinian, but Tina....is just Tina. And the Royal Fleet is losing the war, badly--the starship that found her is on the run and they barely manage to escape Earth with the planet still intact. Luckily, Tina is surrounded by a crew she can trust, and her best friend Rachel, and she is still determined to save all the worlds. But first

she'll have to save herself. Buckle up your seatbelt for this thrilling YA sci-fi adventure set against an intergalactic war from internationally bestselling author Charlie Jane Anders. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Musical artist Kenneth Cope reflects on the Savior, Jesus Christ.

Most people assume that being brave is the absence of fear, when in reality, it can mean feeling afraid and being able to persevere anyway. If you're open to such things as the power of music, gratitude, pets, laughter, random acts of kindness or facing fears, you can change or enhance your perception of life in the most trying times. Demonstrating this "emotional grit" is invaluable every day with small or big concerns - or when you face a medical scare as the author did. In this book, you will learn: - How to reduce or eliminate fear by embracing it, - How the science of optimism can change your brain chemistry, and - Ways perspective and gratitude can help carry you. Jennifer Fernjack is an author and keynote speaker. She has shared her message of "emotional grit" at places such as the Mayo Clinic, HealthPartners Neuroscience Center, the University of Minnesota Duluth, Gilda's Club and more. Raised in Cloquet, Minnesota, she

## Read Online Greater Than It All

currently resides in Spring Park, Minnesota. She has a BA degree from the University of Minnesota Duluth and an MBA from the University of St. Thomas. Jennifer's personal story of emotional grit stems from a health scare where she learned that the best things in life are free.

An inspiring parable on the greatest leadership lesson of all—that the best leaders go beyond the tenets of the Golden Rule and help others to be better than they are themselves. Too many people assume that the timeless principles of genuine leadership—of helping others achieve their full potential—don't apply Monday through Friday during work hours or in any circumstance where a paycheck is involved. In *Greater Than Yourself*, Steve Farber proves them wrong. With this powerful and eye-opening story, Farber shows that the goal of true leadership is to help others—teammates, employees, and colleagues—become more capable, confident, and accomplished than their leaders. Through the actions of a forward-thinking and extraordinarily successful CEO, Farber reveals the three keys to achieving what he calls GTY: Expand Yourself, Give Yourself, and Replicate Yourself. Filled with thought-provoking ideas and actionable principles, *Greater Than Yourself* offers a powerful message for today's business leaders.

## Read Online Greater Than It All

Robin Bartlett said, "Yes!" Will she say, "I do," when the big day arrives? From his cultured handsome looks to his vast fortune, Antonio "Tony" Viscolli is every red-blooded American girl's dream match. It doesn't hurt that he completely loves and adores Robin with all his heart and soul from practically the moment they first meet. Robin comes from a blistering past, struggling and fighting for the survival of herself and her two younger half-sisters in a cold, cruel world. By the time Tony thaws her heart, she has known hunger, poverty, violence, and want. Robin never had a chance to dream of a white wedding gown or a prince charming. Instead, her dreams were nightmares dark and clouded with fear and desperation. For months, Tony courted the blond beauty with the sapphire eyes. He teased Robin and pursued her. He showered with attention, respect, and charm. He covered her in diamonds, sapphires, and rubies. Tony satisfied every heart's desire. Finally, Robin came to understand God's love for her as imitated by the unconditional love Tony freely offered. Then, on a sunny Florida beach, Tony proposed and Robin eagerly said "Yes!" Back in bitter cold Boston, doubts about becoming a billionaire's bride begin to crowd out her hopes for happiness. Robin worked for tips until just a few months before Tony proposed on that sunny stretch of sand. In fact, she waited his table less than half a year earlier. Having no experience facing these challenges, Robin struggles to

## Read Online Greater Than It All

cope feeling the pressures of relocating; of unreliable transportation; of the never-ending details of the shower, the ceremony, the reception, the honeymoon; of worries that her sisters will smoothly transition along with her; of changing her name; all while dealing with her father's very serious legal problems. As the date draws inexorably near and the pressure mounts, Robin begins to grasp the scale of her fiancé's vast material wealth and holdings, the responsibilities of the virtual empire he commands. She witnesses his generosity when he takes on a young protégé straight from the tough South Boston streets. Ultimately, Robin questions whether she is truly the girl of Tony's dreams. Is she the woman God has made for him? In taking her on as a wife, would she act as helpmeet or poison apple? In truly loving Tony, would it be better to bind herself to him for all eternity or return his freedom? When her nightmares return in full force, they remind Robin of an even deeper and more terrifying prospect. Will she give in to her insecurities and cancel Boston's "Royal Wedding" for good? Or, with God's guidance, will Tony sacrifice everything to prove to his beloved Robin her true worth?

Behold, a greater than Solomon is here (Matt. 12: 42). Great things said Jesus about himself. Thinking of this world's darkness, he said: "I am the Light of the world." Thinking of humanity's homelessness: "I am

## Read Online Greater Than It All

the Door." Thinking of our waywardness: "I am the Way." Thinking of our need of protection: "I am the Good Shepherd." Thinking of our fruitlessness that dishonors God and burglarizes our souls: "I am the Vine." Thinking of the world's deadness in sin: "I am the resurrection, and the life." Thinking of the greatness of Jonah, behind the curtain of whose preaching Nineveh shifted scenes of riot for penitential tears: "A greater than Jonah is here." Thinking of Solomon's wisdom, glory, greatness: "A greater than Solomon is here." But greater is Jesus than anything he is ever likened to – something far more than the most illustrious in the census of the world. His life is an episode between two eternities – one stretching back before all worlds, the other forward forever. Human language falls short of expressing all that he is, even as a thimble lacks capacity to hold Niagara Falls. The Fact of facts, the Bible's theme – he stands alone, august, unique, supreme. All comparisons, all similes, all metaphors but skirt the edges of the glory of this matchless person in whom all sanctities and sufferings unite. "His name shall be called Wonderful!" (Isaiah 9: 6). And, though a thousand names be used, Christ, the loftiest ideal of all literature, the highest personality of all philosophy, the supremest problem of all criticism, the fundamental doctrine of all true theology, the cardinal necessity of all spiritual religion, the outstanding miracle of all

## Read Online Greater Than It All

ages, was, and is, the superlative of anything you choose to call him. We would pitch our mental tents today on that vast field of thought which Jesus puts before us when, speaking of himself, he said: "Behold, a greater than Solomon is here."

"A Love Greater Than Words" is a true love story between a couple who face great trials and yet remain faithful and confident in a God they believe to be essentially good. What they went through they felt they had to write down and share with others. From his early life as a rebellious teenager enjoying the pleasures of Bucharest night life to his work as a committed evangelist for the gospel Daniel shows a determination and strength in his desire to follow God. The tragedy which hits them both in the prime of their life forces them to ask questions, to respond to a different kind of world of hospitals and all that goes with suffering. Daniel and Magda are changed in what they experience. For one it is the sober change formed in the character, for the other it is the change which comes from a true vision of God. No words can fully express the love Daniel and Magda show through their trials or the love of the One who mysteriously sits on a throne and does as He wills.

Wade Wadsworth was born into the Church of Jesus Christ of Latter-Day Saints. Although he was active in the church as a youth, as

## Read Online Greater Than It All

Wade grew older, he began to question some of the Mormon teachings. After a search for answers led him down an introspective path lined with soul-searching, prayer, and guidance from the scriptures, Wade found the one true God of whom the Lord Jesus Christ spoke in John 17:3 and ultimately left the church. In an insightful memoir that focuses on presenting the scriptural and theological reasons why Wadsworth walked away from the Mormon Church, he identifies the true Christ, church, priesthood, salvation and Christian life while providing historical answers and gentle guidance for anyone questioning the validity of Mormon teachings or inquiring into the Church of Jesus Christ of Latter-Day Saints. Throughout his presentation, Wadsworth emphasizes that no matter what our spiritual journeys, each of us holds the power to walk away from a church that does not match the teachings of the Bible and find one that does. God Is Greater Than You Think provides insights and biblical answers for anyone considering joining or leaving the Church of Jesus Christ of Latter-day Saints.

Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go

## Read Online Greater Than It All

to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything.
