I keep coming right back like a maniac. I keep coming right back like. Oh, oh. And the worst part is I'd do it all over again. No, the worst part is I know it's never gonna end. I keep coming right back like a maniac. I cried tears of gold for you. I sit here poor for you. Collect my pennies and my dimes.

Return to Dreagan for a special Valentine's story featuring Constantine, the King of Dragon Kings, and his mate... He 's loved her for eons, wanted her forever, and a day never passes without her at the forefront of his mind. The only way Con could pass the time as his fellow Dragon Kings slept away the centuries was to record his thoughts in journals: one for his responsibilities as King of Dragon Kings, and another for the object of his desire. Now that she 's finally back in his life and his arms, it 's time she learns the truth. He played a part all those eons—maybe a little too well—but he never stopped loving her, and his journal will show her just how much. But Con is the one in for a surprise as his mate turns the tables on him and leads him on a merry chase. If he can find her, he knows he 's in for something special. But then again, every day is extraordinary with his love by his side. And, thankfully, their future has never looked brighter.
