Keeping Corner is told from the point of view of Leela, a young widow living in a small town in 1918 India. It's a compelling story. Leela was engaged at 3, married at 9, widowed at 12 before she even moved in with her husband's family. Now, according to tradition, she will spend the rest of her life as a widow, shunned by society as unlucky.

Keeping Corner – Reads 4 Tweens

After finishing Keeping Corner I believe that the theme of the book is that nothing will ever change if individuals don't change traditions themselves because people would rather go along with what they have known their whole lives. Leela was reflecting on a conversation with her mother and explained, "We had a saying that when people don't have the courage to stand up against injustice ...
