Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

This dystopian classic is 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' 'One of my favorite books - I read it every couple of years.' Suzanne Collins, author of The Hunger Games What are we? Humans? Or animals? Or savages? What's grown-ups going to think? Going off-hunting pigs-letting fires out-and now! A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they explore the dazzling beaches, gorging fruit, seeking shelter, and ripping off their uniforms to swim in the lagoon. At night, in the darkness of the jungle, they are haunted by nightmares of a primitive beast. Orphaned by society, they must forge their own; but it isn't long before their innocent games devolve into a murderous hunt... 'Thrills me with all the power a fiction can have... Exemplary.' Ian McEwan 'An existential fable backlit with death's incandescent glare.' Ben Okri 'Violently real... An apocalyptic novelist (who writes with) humanist rage and defiance.' Marlon James 'Beautiful and desperate, something quite out of the ordinary.' Stevie Smith 'Beautifully written, tragic and provocative.' E. M. Forster 'A fragment of nightmare.' New Statesman 'A post-apocalyptic, dystopian survivor-fantasy... [A novel] for all time... A cult classic.' Guardian 'Stands out mightily in my memory... Such a strong statement about the human heart.' Patricia Cornwell 'Terrifying and haunting.' Kingsley Amis What readers are saying: 'Every real human being should read this... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive... One of the best books I've ever read.'

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home.

During The Post-War Years The Experimental Tendency In British Novel Continued, But The Critics Lamented That The Mid-Twentieth Century British Literature Produced No Ulysses. William Golding S Lord Of The Flies (1954) Was Accepted As An Experiment With The Restoration Of Fable In English Fiction, A Reconstruction At An Adult Level Of R.M. Ballantyne S Coral Island. Thanks To The Nobel Prize Awarded To Golding In 1983, Lord Of The Flies Came To The Limelight And Its Underlying Philosophy Has Been VariouslY Interpreted Since Then. In The Face Of An Upsurge In Golding Criticism, And More Specifically, In Lord Of The Flies, The Novel Demands Fresh Discussions. The Present Book Seeks To Acquaint The Readers First With The Theme Of The Novel, And Then With The Discourses Invited By The Theme.A Detailed Analysis Of Each Of The Chapters Of The Novel Is The Special Attraction Of This Critical Study. It Is Not Just A Summary, But A Critical Analysis Of The Events, Symbols, Images And Reflections Of The Characters Introduced In The Novel. The Chapter-Wise Discussion Will Inspire The Readers To Go Through The Original Text Thoroughly For Having A First Hand Knowledge Of Golding S Art. It Will Also Help The Readers To Develop An Understanding Of Golding As A Novelist Even Before Reading The Original Text.The Chapters On Golding S Concept Of Evil And The Innate Depravity Of Man, Potential Savagery Of Children, Sin And Expiation, The Post-World War Scenario And Elements Of Post-Colonial Writing Are Designed To Project Lord Of The Flies As A Post-Colonial Novel Of Ideas. The Book Also Contains Separate Chapters On Narrative Skill, Characterization, Plot And Structure Which Are Helpful For The Students. The Discussion Is Marked By A Critical Insight That Serves Not Only The Advanced Scholars But Also The Common Students Who Will Be Benefited By The Lucid Presentation.

Offers excerpts dealing with major themes of Golding's novel, including the ignoble savage, education, adventure stories, religion, biology and evolution, and war and its aftermath, and suggests topics for further exploration.

One of the great heroines of American literature, Isabel Archer, journeys to Europe in order to, as Henry James writes in his 1908 Preface, "affront her destiny." James began "The Portrait of a Lady" without a plot or subject, only the slim but provocative notion of a young woman taking control of her fate. The result is a richly imagined study of an American heiress who turns away her suitors in an effort to first establish--and then protect--her independence. But Isabel's pursuit of spiritual freedom collapses when she meets the captivating Gilbert Osmond. "James's formidable powers of observation, his stance as a kind of bachelor recorder of human doings in which he is not involved," writes Hortense Calisher, "make him a first-class documentarian, joining him to that great body of storytellers who amass what formal history cannot."

If you're interested in science fiction but crave something with a little more intellectual heft than your typical space opera, give David Lindsay's A Voyage to Arcturus a try. Widely praised by critics as one of the most philosophically advanced science fiction novels, the book follows two intrepid spiritual seekers through a series of remarkable interstellar adventures.

A seemingly simple tale of schoolboys marooned on an island, Lord of the Flies has proven to be one of the most enigmatic and provocative pieces of literature ever published. This casebook probes the many layers of meaning in the novel, examining its literary, philosophical, historical, scientific, and religious significance. Beginning with a literary analysis that explores the universality of the novel's characters, the story is considered as subversion of the adventure tale, comparing it to such classics as Treasure Island and Robinson Crusoe. From these literary depictions of savagery, this study delves deeper, confronting the long-running philosophical and biological debates about human nature that have absorbed such influential thinkers as Rousseau and Darwin. The full meaning of Lord of the Flies is further contextualized by tracing historical views on civilization, from the Victorian perspective, to the very real horrors of World War II. This casebook integrates analysis and primary documents, with excerpts from materials as diverse as the Bible, the writings of Darwin, and war crimes interviews, to explore the very nature of human aggression and evil. This book will spark students to consider intriguing connections between Golding's masterpiece and broader concepts of civilization, altruism, political leadership responsibilities, and the history of western imperialism. The interdisciplinary approach of this casebook helps students situate the lessons of Lord of the Flies in the context of Education, War and Postwar, the Adventure Story, Religion, and Biology and Evolution. The six topic sections integrate original illustrations and photos, literary excerpts, and primary documents and historic writings that help contextualize the work. Thought-provoking ideas for class discussions and research topics, with carefully chosen further reading suggestions enhance this volume as a teaching tool.

Lord of the Flies: An Instructional Guide for literature provides lesson plans and activities for this classic young adult novel. This valuable resource guides teachers with ways to help students comprehend complex literature. Text-dependent questions help students analyze the text with higher-order thinking skills, with lessons focused on story elements, vocabulary, and more. Close reading activities throughout the literature units encourages students to use textual evidence as they revisit passages to respond more critically about the text. With various methods of assessing comprehension, this instructional guide offers strategies for cross-curricular activities as students build a greater understanding of this great literary work.
