NCLEX exam prep to go!and ready for the NEW, 2010 NCLEX-RN® test plan! Color coded by content area, each card features three questions on the front with answers and rationales on the back.

With Saunders Q & A Review Cards for the NCLEX-RN® Examination, 2nd Edition, you can study anytime and anywhere! The ideal companion to Saunders Comprehensive Review for the NCLEX-RN Examination, Linda Silvestri's review cards contain 1,200 practice questions - each including test-taking strategies and detailed rationales for both correct and incorrect answers. Practice questions, organized by clinical area, appear on the front of each card with an icon indicating client need. The reverse side shows answers and rationales, along with Silvestri's unique test-taking strategies and priority nursing action tips. 1,200 practice questions include detailed rationales for both correct and incorrect answers. Alternate item format questions include multiple response, prioritizing, fill-in-the-blank, chart/exhibit, and figure/illustration to prepare you for the prioritizing, decision-making, and critical thinking skills needed to pass the NCLEX-RN. UNIQUE! Test-taking strategies for each question provide direction and hints to the correct answer. UNIQUE! Highlighted keywords or phrases in each answer identify a recommended review topic related to the question. Numerous pharmacology questions reflect the heavy emphasis on pharmacology on the NCLEX-RN. NEW! Organization of questions by clinical area lets you focus on weak areas and also use the cards as study aids in your course exams. UPDATED content reflects the most recent NCLEX-RN test plan. Increased coverage of pharmacology, prioritization, delegation, and triage/disaster management reflects the increased emphasis on these topics on the NCLEX-RN. NEW! Attractive, full-color design makes it quick and easy to locate questions in the various content areas.

Get Ready for the EMT Basic Exam with REA's Interactive Flashcards! - 300 Must-Study Questions! - Each page contains on-topic EMT professional questions that are simply the best way to check your "test readiness" - REA's Flashcards are "Unique" - they come in a BOOK, much easier to manage than loose cards - Perfect for self-study, for reference, or for a quick review! - Comprehensive index provides fast facts and smart searches - Bonus material on the history of EMTs, medical emergencies, and the growing EMT profession

300 medication cards identify drugs and list their uses on the reverse side. Specific topics such as druf actions/indications, contraindications, side effects, other medications in the same class, nursing considerations, and patient unstructions are itemized on the back. 100 question and answer cards challenge students to answer questions typical of those found on recent NCLEX-RN exams.

With more review cards than any other product on the market, you'll have the perfect tool for study groups or on-the-go review, and with a new chapter focusing on pharmacology, you'll be more prepared than ever before. This edition features over 1,200 questions with alternate item-format and integrated content questions organized by clinical area and body system. These cards contain several practice questions on the front, with answers, rationales for correct and incorrect options, cognitive levels, nursing process steps, and NCLEX test plan categories on the back. You'll also receive an overview of the latest NCLEX-RN test plan, and valuable test-taking tips. UNIQUE! Provides more practice questions than any other card set with over 1,200 review questions on portable cards. An introductory section on test taking offers helpful strategies for improving your test-taking skills and managing test anxiety. Questions are logically organized by body system within each clinical area section. Plenty of alternate item-format questions, including multiple response, fill-in-the-blank, and illustrated questions, offer valuable preparation for the newer question formats appearing on the NCLEX-RN examination. Each question is classified by cognitive level, nursing process step, and NCLEX test plan client needs area to help you identify areas where more review may be required. A section on integrated concepts includes questions on leadership, management of patient care, cultural competence, and community-based practice, addressing the integrated concepts covered in the NCLEX-RN examination. UNIQUE! A separate section on pharmacology reflects the increased focus on this subject in the NCLEX examination and enables you to concentrate on the most frequently tested content. Rationales for incorrect options are now included to help you understand the faulty thought processes that lead to selecting the wrong answers. Double the number of alternate item questions and the new chart exhibit format ensure you have ample practice with the newest question formats.
