What theories and techniques are used by successful managers at a variety of organizational levels to achieve and exceed objectives effectively and efficiently throughout their careers?

Management is a broad business discipline, and the

Online Library Organizational

Behavior course

covers many areas

such as individual

and group behavior

at work, as well as

organizational

processes such as

communication in

the workplace and

managing conflict

and negotiation. No

one individual can be

an expert in all areas

of management, so
an additional benefit
of this text is that
specialists in a variety
of areas have
authored individual
chapters. Finally, we
all made an effort to
present a balanced
