Several times, the tact of the Lady Elizabeth saves him, and several times the Lord St. John intercepts a difficult question and answers for him. Only once does Tom totally lose control and speak of his real father. He quickly catches himself, however, and apologizes.

~~The Prince and the Pauper - CliffsNotes~~

Once again, the difference between the way the prince is treated as a commoner and the way the pauper is treated as a prince is contrasted. Both are believed to be mad, but whereas the prince is laughed at, scorned, and beaten for the "errors" he makes in his "madness," Tom is given every consideration; everyone at court is willing to overlook all his mistakes and to help him regain his sanity.

The Prince and the Pauper is a novel by American author Mark Twain. It was first published in 1881 in Canada, before its 1882 publication in the United States. The novel represents Twain's first attempt at historical fiction. Set in 1547, it tells the story of two young boys who were born on the same day and are identical in appearance: Tom Canty, a pauper who lives with his abusive, alcoholic father in Offal Court off Pudding Lane in London, and Edward VI of England, son of Henry VIII of Englan

Tom Canty and Edward Tudor could have been identical twins. Their birthdays match, their faces match, but there the likeness stops. For Edward is a prince, heir to King Henry VIII, whilst Tom is a miserable pauper. But when fate intervenes, Edward is thrown out of the palace in rags, leaving ignorant Tom to play the part of a royal prince. Even those who have never read the novel will be familiar with Twain's classic tale of mistaken identity: at once an adventure story and a fantasy of timeless appeal. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A chance meeting between a member of the royal family and a street urchin triggers a course of events that form the basis of this enthralling story. Tom, the pauper; and Edward, the prince, discover that not only do they share the same birthday, but they also look identical. Being the boys that they are, they decide to have some fun and exchange clothes. However, little do they know that this will land them up in the most bizarre of situations. Inadvertently, the boys end up swapping places with each other - Tom becomes the prince; and Edward, the pauper. No one believes them when they try to explain their true identities, so they are forced to adapt to their new lifestyles, with very interesting consequences. This well-loved novel by Mark Twain takes a humorous look at 16th century society, and the inequalities that existed at that time, and perhaps still do today.

Timeless Classics--designed for the struggling reader and adapted to retain the integrity of the original classic. These classic novels will grab a student's attention from the first page. Included are eight pages of end-of-book activities to enhance the reading experience.

The Prince and the Pauper is a novel by American author Mark Twain. It was first published in 1881 in Canada, before its 1882 publication in the United States. The novel represents Twain's first attempt at historical fiction. Set in 1537 it tells the story of two young boys who were born on the same day and are identical in appearance. Tom Canty a pauper who lives with his abusive alcoholic father in Offal Court off Pudding Lane in London and Edward VI of England son of Henry VIII of England.

Tom Canty (youngest son of a family living with the dregs of society in Offal Court) has always aspired to a better life, encouraged by the local priest (who has taught him to read and write). Loitering around the palace gates one day, he sees a prince (the Prince of Wales – Edward VI). Tom is nearly caught and beaten by the Royal Guards; however, Edward stops them and invites Tom into his palace chamber. There the two boys get to know one another, fascinated by each other's life and their uncanny resemblance. They decide to switch clothes "temporarily". Edward leaves in a hurry before the boys are caught at their game, snatching up an article of national importance (which the reader later learns is the Great Seal of England). Soon Prince Edward is trying to escape the brutality of Tom's abusive, drunken father; Tom, posing as the prince, tries to cope with court customs and manners. His fellow nobles and palace staff think "the prince" has an illness which has caused memory loss, and fear he will go mad. They repeatedly ask him about the missing "Great Seal", but he knows nothing about it. However, when Tom is asked to sit in on judgments his common-sense observations reassure them his mind is sound. Edward soon meets Miles Hendon, a soldier and n

Two young men -- one a child of the London slums, the other an heir to the throne -- switch identities in this timeless novel about class and culture in sixteenth-century England. Prince Edward inadvertently switches places with Tom Canty, a pauper. While both boys are interested in experiencing life in the other's shoes, they are dismayed by the realities of their new lives. Written before *The Adventures of Huckleberry Finn* was finished, this tale contains the elements of social criticism that were later to dominate Twain's writings. Enriched Classics enhance your engagement by introducing and explaining the historical and cultural significance of the work, the author's personal history, and what impact this book had on subsequent scholarship. Each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research.
