be beekeeper through every season of the bee-keeping year. From spring awakening and summer swarms to the autumn honey harvest and providing winter protection, this essential resource guides you each step of the way. There is extensive advice for beekeeping beginners, from siting and smoking your hives to rearing a queen and controlling your swarm. There is also in-depth information for improvers and more experienced apiarists who wish to experiment with different hive-management and queen-rearing techniques. Troubleshooting tips on protecting your hives and keeping your bees healthy are also covered. The book is also packed with practical advice on using beeswax, and of course, extracting and making the tastiest honey.

Jenna Woginrich chronicles the life journey of three chickens (Amelia, Honey, and Tilda) from fluffy, newly hatched bundles to grown hens laying eggs of their own. As you watch these chickens grow, you ' ll learn everything you need to know about chicken behavior, feeding, housing, and health care. This playfully informative guide will inspire you to confidently raise your own feathered flock.

Andrew Coté has one of the most intriguing, challenging, and unique jobs in New York City--maintaining millions of honey bees atop some of the city's most iconic buildings. His apiaries have crowned the Waldorf Astoria and the Museum of Modern Art; reside on the North Lawn of the United Nations; reign above stores, hotels, restaurants, schools, churches, and synagogues; and are situated in community gardens, and even cemeteries, throughout the five boroughs. Widely recognized as New York City's premier urban beekeeper, in this
