“ Never once in my life had I dreamed of being in bed with a convicted killer. ” For almost six turbulent years, award-winning writer Diane Schoemperlen was involved with a prison inmate serving a life sentence for second-degree murder. The relationship surprised no one more than her. How do you fall in love with a man with a violent past? This Is Not My Life is the story of the romance between Diane and Shane—how they met and fell in love, how they navigated the obstacles of passes and visits and parole hearings and, eventually, how things fell apart, were reconciled and then fell apart for good. In this candid, often wry, sometimes disturbing memoir, Schoemperlen takes us inside a complex and difficult relationship as she journeys through the prison system with Shane. Not only did this experience enlarge her capacity for both empathy and compassion, but it also forced her to more deeply examine herself.

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze

ONE OF PUBLISHERS WEEKLY'S TEN MOST ANTICIPATED MEMOIRS OF THE SEASON IF YOU THINK IT SUCKS TO LIVE WITH YOUR PARENTS WHEN YOU ' RE THIRTY-SIX AND NINE MONTHS PREGNANT, JUST WAIT TILL THE DEA COMES KNOCKING (WITH THE IRS IN TOW): WELCOME TO VICTORIA FEDDEN ' S LIFE. When you 've just discovered that your mother and stepfather have allegedly masterminded a pump-and-dump scheme? She was pretty sure that wasn 't covered in What to Expect When You 're Expecting—and she really hoped that Bradford Cohen, the noted criminal defense attorney who famously waived his exemption on *The Apprentice*, would prove them innocent. *This Is Not My Beautiful Life* is the story of how Victoria lost her parents to prison and nearly lost her mind. No one ever said motherhood would be easy, but as she struggles to change diapers, install car seats, and find the right drop-off line at pre-school—no easy task, when each one is named for a stage in the lifecycle of a f*cking butterfly—she 's also forced to ask herself whether a jump-suit might actually complement her mom 's platinum-blond extensions and fend off the cast of shady, stranger-than-fiction characters (like the recovering addict who scored a reality show when he started an escort service for women) who populated her parents ' world. A real-life *Arrested Development* that could only unfold in southern Florida, *This Is Not My Beautiful Life* is a hilariously funny and unexpectedly moving memoir of a just-functional family you 'll never forget.

unfathomable odds empowered her with a resolve to become a vocal proponent for human rights. From the formative nightmare that radically molded her perspective and instincts to the devastating personal and professional challenges that would follow, Undaunted reveals the perseverance of a determined force in American politics. Deeply rooted in Jackie's experiences as a widow, a mother, a congresswoman, and a fighter, hers is a story of true resilience, one that will inspire other women to draw strength from adversity in order to do what is right--no matter the challenges ahead.

Why We Can ' t Sleep meets Furiously Happy in this hilarious, heartfelt memoir about one woman ' s midlife obsession with Benedict Cumberbatch, and the liberating power of reclaiming our passions as we age, whatever they may be. Tabitha Carvan was a new mother, at home with two young children, when she fell for the actor Benedict Cumberbatch. You know the guy: strange name, alien face, made Sherlock so sexy that it became one of the most streamed shows in the world? The force of her fixation took everyone—especially Carvan herself—by surprise. But what she slowly realized was that her preoccupation was not about Benedict Cumberbatch at all, as dashing as he might be. It was about finally feeling passionate about something, anything, again at a point in her life when she had lost touch with her own identity and sense of self. In This Is Not a Book About Benedict Cumberbatch, Carvan explores what happens to women's desires after we leave adolescence...and why the space in our lives for pure, unadulterated joy is squeezed ever smaller as we age. She shines a light onto the hidden corners of fandom, from the passion of the online communities to the profound real-world connections forged between Cumberbatch devotees.

But more importantly, she asks: what happens if we simply decide to follow our interests like we used to—unabashedly, audaciously, shamelessly? After all, Carvan realizes, there 's true, untapped power in finding your “ thing ” (even if that thing happens to be a British-born Marvel superhero) and loving it like your life depends on it.

Andre Mills was a rising star in basketball. College recruiters were already looking at him as a sophomore in high school, and he was named as an All-Star high school basketball player. One moment his future was laid out before him and then one slam dunk later, it was all over. When Andre came down, splintering both shin bones in a career ending injury, his world was destroyed. Diagnosed with a rare Vitamin D deficiency, Andre was suddenly a kid without a plan. He had never really cared that much about school, his education, or life beyond ball. Quite alone, Andre had to determine the true meaning of education, family, friends, and fighting for what he wanted. Ball is NOT Life is not only Andre's story to self-discovery but one geared toward all young adults, parents, coaches, and educators about finding real purpose in life. In regards to life beyond sports or the entertainment industry, Andre writes: What is worse is how many of these same kids believe the only way out of poverty is to become a rapper or professional athlete. It's all they see on TV. They rarely hear about that successful businessman or entrepreneur who rose from poverty. If they do, it's only in a newspaper in the left-hand corner on the back for no one to see. Today, Andre is a motivational speaker, has appeared on television, radio and in print with his tremendous message to junior high, high school, and college aged teens about life, education, self-esteem, and self-worth. The creator of his own brand, Andre is once again a rising star but this time ... it's Life without Ball.
