<p>Officially launched in 2017, the Hebridean Way offers walkers the opportunity to experience the magic of Scotland's Outer Hebrides in one inspirational journey. The waymarked route stretches 247km (155 miles) from Vatersay to Stornoway, linking ten major islands of the archipelago by means of causeways and two ferry crossings: Vatersay, Barra, Eriskay, South Uist, Benbecula, Grimsay, North Uist, Berneray, Harris and Lewis. Suitable for most walkers with a moderate level of fitness, it can be completed in 8-14 days and is rich in natural, historical and cultural interest. This guidebook presents the Hebridean Way in 10 stages of 16-35km (10-22 miles), plus two additional stages to extend the route to the Butt of Lewis in line with future plans. Detailed route description is accompanied by 1:50,000 OS mapping, stunning photography to whet your appetite and a wealth of information about local points of interest. The introduction offers an overview of the islands' geology, history, plants and wildlife as well as comprehensive practical advice for walking the route, such as when to go, how to get there (and back) and what to take. Accommodation listings can be found in the appendices. The route is a celebration of the diverse landscapes of the Hebrides, from dazzling white shell beaches to wild moorland and flower-strewn machair. It visits Neolithic and Bronze Age remains, ruined forts and castles and monuments commemorating Bonnie Prince Charlie and the Highland Land Struggle. The islands are also a great location to spot seabirds, raptors and a number of migratory species.</p> <p>Guidebook to walking the Hebridean Way, a 154-mile (247km) walking route along the length of the Outer Hebrides. From the island of Vatersay to Stornoway on Lewis, the waymarked route can be walked in 8-13 days and crosses a variety of terrain including shell beaches, rugged hills and wild moor. Also includes an extension to the Butt of Lewis.</p> <p>This guidebook describes 30 day walks all over the Isles of Harris and Lewis, in the Outer Hebrides. The walks range from 2 and 14 miles (4 to 22km) in length, and are easily accessible from Stornoway or Tarbet. Routes vary from short strolls to long wilderness hikes, high-level and low-level, and include the An Cliseam horseshoe, visits to ancient historic monuments like the stone circles of Calanais and the famous Butt of Lewis lighthouse, all illustrated with OS 1:50,000 maps and dramatic photography. The routes take in most of the main summits as well as historical and geographical places of interest. A list of all the Marilyns (British hills of any height with a drop of at least 150m on all sides) on Harris, Lewis and St Kilda is included at the back. Tips are also included about walking on St Kilda, Berneray, Taransay, The Shiant Islands and The Flannan Isles, along with a short Gaelic glossary and route summary table, and advice on practicalities to make the most out of any walking trip on Harris and Lewis.</p> <p>As seen on TikTok! Fáilte, I'm the Hebridean Baker! Close your eyes and imagine yourself in the remote Outer Hebrides of Scotland. Do you see yourself walking along a deserted beach? Climbing a heather-strewn hill with a happy wee dog by your side? Sipping a dram at a ceilidh to the tune of a Gaelic song? Or chatting by a warm stove with a cuppa and a cake? For me, it is all these things, and more... and they have inspired every page of this book. From Croft Loaf to Cranachan Chocolate Bombs, Outy Apricot Cookies to Heilar' Coo Cupcakes, there's something here to put a smile on everyone's face. Focusing on small bakes that use a simple set of ingredients, these recipes will unleash your inner Scottish baker—it's all about rustic home baking and old family favorites because, as the Hebridean Baker always says, "Homemade is always best!" The Hebridean Baker is your ticket to the Scottish Highlands. Perfect for fans of Outlander and anyone who loves to discover new books via TikTok and BookTok, this beautiful cookbook is a wonderful gift for home bakers and lovers of Scottish culture. It features: More than 70 traditional recipes (with a modern twist) Gorgeous full-color photos Heartwarming stories from the Hebridean Baker himself This unique baking book is a must-have in any cookbook library!</p> <p>This guidebook describes 37 day rides for all abilities, and 22 linking routes for more experienced cycle tourists, allow riders to visit all the essential sights in over 20 islands of the Hebrides and of the Firth of Clyde. Routes range from those suitable for short weekend breaks to a challenging 600-mile tour (includes the 200 mile Hebridean Way / NCR 780 along the length of the Outer Hebrides). Whether you're putting together a fortnight's tour or just enjoying a few day rides from a single base, this guide is packed with useful information to help you make the most of your trip. The Hebridean islands offer a wealth of wonderful scenery: the majestic Cuillin mountains on Skye; the otherworldly palm trees on Bute; the marvellous white shell sands on Tiree and Harris. This guidebook features detailed custom mapping and elevation profiles for all routes, and comprehensive information of ferry and transport routes, accommodation, food and drink, supplies, cycle spares and repairs. Island hopping in these islands is a magical experience. The guide visits over 20 of them and each has its own interesting history and wildlife. Reasonably fit cyclists can enjoy these routes at their own pace; experienced cycle tourists will eat up the miles.</p> <p>This inspirational guidebook describes 50 varied walking and backpacking routes on the Scottish Hebrides islands, set out in a larger format, and illustrated with a range of stunning photographs. The 50 walks are spread across both well-known and remote islands; from Skye, Mull, Rum, the Uists and Barra, Ulva, Iona, Eigg and Muck and more besides. Most of the walks provide a full day for experienced walkers, with a few multi-day backpacking adventures as well as some shorter routes. The walks also include Hebrides classics, like the Trotternish Ridge, Ben More, Skye and Rum Cuillins, the Paps of Jura and full circuits of smaller islands. Each walk combines clear route description with mapping and spectacular photography, while also advising on the route's facilities, public transport access, length and terrain. The result is a collection of the very best walks with which to uncover the wild and rugged beauty of the Hebrides.</p>
<p>ad's new guide to the Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra, by experienced writer and journalist Mark Rowe is the only full-size guide to focus solely on the islands of Lewis, Harris, St Kilda, North Uist, Benbecula, South Uist, Eriskay, Barra and Vatersay. Masses of background information is included, from geography and geology to art and architecture, with significant coverage of wildlife, too, as well as all the practical details you could need: when to visit, suggested itineraries, public holidays and festivals, local culture, plus accommodation and where to eat and drink. Walkers, bird-watchers, wildlife photographers, beach lovers and genealogists are all catered for, and this is an ideal guide for those who travel simply with curious minds to discover far-flung places of great cultural, historical and wildlife interest. The Outer Hebrides is an archipelago of 15 inhabited islands and more than 50 others that are free of human footprint. Huge variations in landscape are found across the islands, from Lewisian gneiss, which dates back almost three billion years, to rugged Harris with its magnificent sands running down its western flanks and the windswept, undulating flatness and jagged sea lochs of the Uists. This is a land where Gaelic is increasingly spoken and ancient monuments abound, where stunning seabird colonies and birds of prey can be watched, and where the grassy coastal zones known as the machair are transformed into glorious carpets of wildflowers in late spring and summer. Whether visiting the Standing Stones of Callanish, the Uìg peninsula, Barra's Castle Bay, or historic St Kilda, or if you just want to experience the romance of the Sound of Harris, one of the most beautiful ferry journeys in the world, Bradd's Outer Hebrides: The Western Isles of Scotland, from Lewis to Barra has all the information you need.</p> <p>This guide offers 40 walking routes on the Uists and Barra - a unique 100km cluster of islands in Scotland's Outer Hebrides. The walks are varied and graded, from short, flat beach walks beside crystal clear waters to long excursions across wild mountainous terrain, the routes visit all the major islands from Berneray to Vatersay but also those smaller and offshore such as Eriskay and Mingulay. Routes are described in four sections, by area, and illustrated with vivid colour photographs and OS mapping. Walking across these landscapes, especially the hill country, gives a sense of remoteness and peaceful solitude that cannot be found in the mainland's National Parks or on the Munros busy with peak baggers. Despite a relatively narrow area, Uist and Barra's diverse islands offer a contrasting walking terrain and many ancient historic sites such as chambered cairns and standing stones as well as lots of local wildlife. Upland areas are home to red deer and golden and white-tailed eagles, while along the coast grey seals are common and thousands of birds set up their breeding grounds in the machair. Daily flights between Glasgow and Benbecula as well as the ferry network mean that all of the islands are readily accessible.</p> <p>This guidebook describes the challenging 80-mile (128km) Skye Trail, a week-long trek across the magical Isle of Skye, the largest island in Scotland's Inner Hebrides. As yet unwaymarked, the route demands navigational skill, fitness and self-reliance and is therefore suitable for experienced backpackers and mountain walkers. The trail is presented in 7 stages of between 7 (11.5km) and 18 miles (28.5km), plus an alternative stage to include an ascent of Bla Bheinn. Alongside detailed route description, 1:50,000 OS mapping and stunning photography, the guide provides a wealth of information about Skye's rich history, culture, literature, geology, wildlife and plants, as well as practical advice such as when to go, what to take and where to stay. Blending information with inspiration, the result is an ideal companion to trekking this magnificent route. From the headland of Rubha Hunish, through Portree to Broadford, the Skye Trail provides the walker with a tour of Skye's most iconic landforms - including the Quiraing, the Old Man of Storr and the Cuillin - as well as of its turbulent history, from Iron Age forts to the ruins of Clearance villages. Whether making use of island hospitality or opting for the freedom of a tent, completing the continuous route represents a real challenge and a fitting match for the epic landscapes found on Skye.</p>
