Witch trials in early modern Scotland were the judicial proceedings in Scotland between the early sixteenth century and the mid-eighteenth century concerned with crimes of witchcraft, part of a series of witch trials in Early Modern Europe. In the late middle age there were a handful of prosecutions for harm done through witchcraft, but the passing of the Witchcraft Act 1563 made witchcraft, or ...

Witch trials and witch related accusations were at a high during the early modern period in Britain, a time that spanned from the beginning of the 16th century to the end of the 18th century. Witchcraft in this article refers to any magical or supernatural practices made by mankind. Prior to it being made a capital offence in 1542. it was often seen as a healing art, performed by people referred to as the cunning folk, whereas it was later believed to be Satanic in origin and
