How to use design as a tool to create not only things but ideas, to speculate about possible futures.

Today designers often focus on making technology easy to use, sexy, and consumable. In Speculative

Everything, Anthony

A new, thoroughly updated edition of a comprehensive overview of knowledge management (KM), covering theoretical foundations, the KM process, tools, and professions. The ability to manage knowledge has

Download Free Zacks Bike Hut Solution Manual

become increasingly important in today's knowledge economy. Knowledge is considered a valuable commodity, embedded in products and in the tacit knowledge of highly mobile individual employees. Knowledge management (KM) represents a
